

Material name: FASA DASA
In Compliance with Regulation (EG) 1907/2006 (REACH) as Amended

SECTION 1: Identification of the substances/mixture and of the company/undertaking**1.1 Product identifiers**

Product name: FASA
DASA

1.2 Recommended uses of the mixture and restricted uses

Identified uses: Additive manufacturing
Uses advised against: None known

1.3 Details of the supplier of the safety data sheet:

Company: iSQUARED AG
Kreuzlingerstrasse 5
CH-8547 Lengwil, Switzerland
Telephone: DE: +49 89 215 57 998
CH: +41 71 577 10 49
E-mail address: info@isquared.eu.com

SECTION 2: Hazards identification**2.1 Classification of the substance or mixture according to (EG) No. 1272/ 2008 [GHS]:**

The substance is classified as not hazardous according to (EG) Nr. 1272/2008 nicht als gefährlich eingestuft.

2.2 Label Elements:

The substance is classified as not hazardous according to (EG) Nr. 1272/2008 nicht als gefährlich eingestuft.

2.3 Other Hazards:

None known

Material name: FASA DASA
In Compliance with Regulation (EG) 1907/2006 (REACH) as Amended

SECTION 3: Composition/information on ingredients**3.1 Composition**

The material is a copolymer of Acrylonitrile styrene acrylate.

SECTION 4: First aid measures**4.1 Description of first aid measures****General advice**

Consult a physician. Show this safety data sheet to the doctor in attendance. Immediate medical attention is recommend.

If inhaled

If breathed in, remove material from respiratory system. Move person into fresh air. If not breathing, give artificial respiration. If symptoms occure, seek medical attention immediately

In case of skin contact

In Case of contact with molten material apply cold water immediately. Do not try to remove any material from the wound. Seek medical attention.

In case of eye contact

Keep eye wide open and rinse thoroughly with plenty of water for at least 15 minutes. Remove contact lenses if present and easy to do. Seek medical attention.

If swallowed

Do NOT induce vomiting. Never give anything by mouth to an unconscious person. Rinse mouth with water. Seek medical attention.

SECTION 5: Firefighting measures**5.1 Extinguishing media:****Suitable extinguishing media**

Use extinguishing agent suitable for surrounding fire. Use alcohol-resistant foam, dry chemical like sodium bicarbonate or carbon dioxide.

Unsuitable extinguishing media

None known

5.2 Special hazards arising from the substance or mixture

Carbon oxides, nitrogen oxides (NOx).

5.3 Advice for firefighters

Wear self-contained breathing apparatus for firefighting and full firefighting turnout gear.

5.4 Further information

The substance is not sensitvie to mechanical impact or static discharge.

Material name: FASA DASA
In Compliance with Regulation (EG) 1907/2006 (REACH) as Amended

SECTION 6: Accidental release measures**6.1 Personal precautions, protective equipment and emergency procedures**

Small amounts can be disposed of as household waste.

6.2 Environmental precautions

Prevent improper wasteremoval.

6.3 Secondary hazards

Dust caused by processing may be flammable.

SECTION 7: Handling and storage**7.1 Precautions for safe handling**

Prevent contact to molten material. If dust may occure, use suitable eye and breathing protection.

7.2 Conditions for safe storage, including any incompatibilities

Store in cool and dry place.

SECTION 8: Exposure controls/personal protection**8.1 Exposure limit values**

General product information: No occupational exposure limits (PEL/TWA) have been established for this product.

Derived No Effect Level (DNEL)	No information available
Predicted No Effect Concentration	No information available

8.2 Exposure Controls**Appropriate engineering controls**

If dust is generated during post processing, provide exhaust ventilation.

Personal protective equipment Eye/face protection

Use equipment for eye protection tested and approved under appropriate government standards such as NIOSH (US) or EN 166(EU).

Respiratory protection

No protective equipment is needed under normal use conditoin. If exposure limits are exceeded or irritation of the respiratory system is observed, ventilation and evacuation may be required.

Control of environmental exposure

No information available.

Material name: FASA DASA
In Compliance with Regulation (EG) 1907/2006 (REACH) as Amended

SECTION 9: Physical and chemical properties**9.1 Information on basic physical and chemical properties**

a) Appearance	solid
b) Colour	see label
c) Odour	No data available
d) Odour Threshold	No data available
e) pH	No data available
f) Melting point/freezing point	No data available
g) Initial boiling point and boiling range	No data available
h) Flash point	No data available
i) Evaporation rate	No data available
j) Flammability (solid, gas)	No data available
k) Upper/lower flammability or explosive limits	No data available
l) Vapour pressure	No data available
l) Vapour density	No data available
m) Relative density	No data available
n) Water solubility	No data available
o) Partition coefficient: n-octanol/water	No data available
p) Auto-ignition temperature	No data available
q) Decomposition temperature	No data available
r) Viscosity	No data available
s) Explosive properties	No data available
t) Oxidizing properties	No data available

SECTION 10: Stability and reactivity**10.1 Reactivity**

Heating may cause a fire.

10.2 Chemical stability

Stable under normal conditions.

10.3 Possibility of hazardous reactions

None under normal processing conditions.

10.4 Conditions to avoid

Excessive heat

10.5 Incompatible materials

Strong oxidising agents and strong bases.

Material name: FASA DASA
In Compliance with Regulation (EG) 1907/2006 (REACH) as Amended

10.6 Hazardous decomposition products

Thermal decomposition products: Combustion: carbon oxides, nitrous oxides.

SECTION 11: Toxicological information

11.1 Information on toxicological effects

Acute toxicity

Inhalation: Specific test data for the substance or mixture is not available.

Eye contact: Specific test data for the substance or mixture is not available.

Skin contact: Specific test data for the substance or mixture is not available.

Ingestion: Specific test data for the substance or mixture is not available.

Delayed and chronic effects

Inhalation: Specific test data for the substance or mixture is not available.

Eye contact: Specific test data for the substance or mixture is not available.

Skin contact: Specific test data for the substance or mixture is not available.

Ingestion: Specific test data for the substance or mixture is not available.

SECTION 12: Ecological information

12.1 Ecotoxicity

The environmental impact of this product has not been fully investigated.

12.2 Persistence and degradability

No information available for product

12.3 Bioaccumulative potential

Not likely to bioaccumulate.

12.4 Mobility in soil

No information available for product

12.5 Results of PBT and vPvB assessment

No information available for product

12.6 Other adverse effects

No information available for product

Material name: FASA DASA
In Compliance with Regulation (EG) 1907/2006 (REACH) as Amended

SECTION 13: Disposal considerations**13.1 Waste treatment methods****Product**

Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation.

13.2 Additional information

Prior to disposal iSQUARED recommends consulting an approved waste disposal firm to ensure regulatory compliance.

SECTION 14: Transport information**DOT (US)**

Non-hazardous for transportation.

IATA

Non-hazardous for transportation.

IMDG

Non-hazardous for transportation.

SECTION 15: Regulatory information**15.1 Safety, health and environmental regulations/legislation specific for the substance or mixture****EU – REACH (1907/2006) – Annex XIV List of Substances Subjected to Authorisation**

No components of this materials are listed.

EU – REACH (1907/2006) – Article 59(1) Candidate List of Substances for Eventual Inclusion in Annex XIV

No components of this materials are listed.

EU – REACH (1907/2006) – Annex XVII Restrictions of Certain Dangerous Substances, Mixtures and Articles

No components of this materials are listed.

Denmark Regulations

Environmental Protection Agency List of Undesirable Substances No components of this materials are listed.

Safety Data Sheet

Material name: FASA DASA
In Compliance with Regulation (EG) 1907/2006 (REACH) as Amended

SECTION 16: Other information

Key/Legend

DOT (US) – US Department of Transportation; EEC - European Economic Community; EINECS - European Inventory of Existing Commercial Chemical Substances; ELINCS - European List of Notified Chemical Substances; EN – European Standard; IARC - International Agency for Research on Cancer; IATA - International Air Transport Association; IMDG - International Maritime Dangerous Goods; LC50 - Lethal Concentration to 50% of a test population; LD50 - Lethal Dose to 50% of a test population (Median Lethal Dose); NIOSH - National Institute for Occupational Safety and Health; REACH - Registration, Evaluation, Authorisation and Restriction of Chemicals Regulation (EC) No 1907/2006; STOT – Specific Target Organ Toxicity; TWA - Time Weighted Average

Read the MSDS before handling the product.

DISCLAIMER OF LIABILITY: The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product. iSQUARED Corporation and its Affiliates shall not be held liable for any damage resulting from handling or from contact with the above product.
